| LinkedIn: [www.linkedin.com/in/calvin-hawks](https://www.linkedin.com/in/calvin-hawks)

Highly motivated and diligent Student at University of Colorado Boulder with a track record of high academic achievement and active involvement in campus organizations. Experienced in time management, critical thinking, and collaboration. I have a passion for all things creative and engage in as many artistic outlets as I can. I am seeking opportunities to expand my knowledge in a professional setting and eager to leverage my education and personal skills to contribute effectively to a multifaceted team and make a positive impact in my community.

## Professional Experience

### Kitchen Staff

*Buckhorn United Methodist Camp*

*May 2023 - August 2024*

- Worked full time for two summers
- Independently managed the kitchen serving groups of over 100 people
- Prepared and cooked food items following recipes and portion guidelines
- Maintained cleanliness and organization of kitchen equipment, tools, and work areas
- Followed proper food safety and sanitation procedures at all times
- Supported other kitchen staff with various tasks as needed to ensure efficient operations
- Performed other cleaning, landscaping, and repair jobs around the camp

## Education

Bachelor of Arts in Computer Science August 2023 - Present

University of Colorado Boulder

- Majoring in Computer science with minors in Creative Technology and Design and Engineering Leadership
- Current GPA: 3.6

International Baccalaureate August 2019 - May 2023

Poudre High School, Fort Collins

- High school GPA: 4.2
- High School class rank: 9th
- Recipient of IB diploma
- Recipient of the Seal of Biliteracy

### Extracirriculars

- CAS project- Empty Bowls- organized a group of 4 people and taught them pottery skills to create 60 bowls to donate to the Larimer County Food Bank for their annual Empty Bowls Fundraiser.
- Was a member of Ambassadors, a selective program that helped freshmen transition to high school. Was taught subjects such as sexual assault resource training, suicide prevention, teen dating violence, goal setting, and conflict de-escalation. Presented these topics to small and large groups and did teambuilding exercises with groups of 4 -5 people.
- Mock Trial- prepared and learned the processes of a court trial and participated in a fake trial as a witness and attorney.
- National Honors Society- maintained a high academic standing and did 50 hours of volunteering in and around the school community.
- 3 years of a Varsity Track and Field, competed in Long jump and Triple jump.
- Participated in multiple extracurricular activities such as, Knowledge bowl, Ambassadors, Mock trial, Math Club, National Honors Society, and Track and Field.

Language

Spanish

## Interests

---

- I have been doing pottery for 10 years in various studios and briefly in my home studio. I enjoy working on woodworking projects in my home studio both involving traditional chisel carving and using machinery.
- I love outdoor activities such as hiking, biking, backpacking, skiing, and climbing.
- I spend my free time reading and working out, I love to cook and practice the guitar.
